

Job Opportunity Details – GEM Navigator Developer based at GRCC

The [GEM](#) (Going the Extra Mile) Project aims to engage with and support individuals within Gloucestershire who are currently dealing with circumstances that are potentially causing barriers to work and move these people closer towards education, training, volunteering or work, including self-employment.

Gloucestershire County Council and over 30 voluntary community social enterprise (VCSE), public and private sector partners from across the county have joined together to deliver the Project.

The GEM Project is jointly funded by the National Lottery Community Fund and the European Social Fund and continued funding has been confirmed for this very successful project. Target GEM Project Participants are: women, people with addictions, over 50s, people living in rural areas, those with a disability or learning disability, carers, black and minority ethnic groups, homeless people, those with mental health issues and people who are unemployed.

GEM has worked with over a thousand participants since the project's start in October 2016. Success rates are high, providing motivation and a sense of achievement for participants and the navigator developers supporting them.

The GEM Project is managed by Gloucestershire Gateway Trust (GGT) on behalf of Gloucestershire County Council. The project is delivered by GEM Delivery Partners, including GRCC, who has 2 Navigator Developers based in its offices in Gloucester. GRCC has a vacancy for one Navigator Developer.
