

# Leave a Lasting Legacy

If you would like to make a donation to GRCC, your donation will be used to support our work with Gloucestershire's groups and communities working with those most in need, and to help rural communities to remain sustainable for the future. You could also donate to support a specific area of work that matters to you, such as:

- The setting up of a community group or project
- Work to address social isolation and loneliness
- Enabling affordable housing to be built to strengthen a community
- Work to address digital poverty
- Work to build community resilience around climate events

## Why leave a legacy to GRCC?

"I chose to leave a legacy because I have lived in the county for over 40 years and I love it here. Having worked with older people in my professional career, I wanted to help address the impact of social isolation and loneliness living in rural areas."

**What better gift to leave to future generations, than preserving the place you love?**
