

Can You Help Us Show the True Need for Affordable Housing?

GRCC wants to build an accurate picture of affordable housing need across Gloucestershire, and we need your help.

Whether you're struggling to find a suitable home, living with family because you can't afford to move out, or finding local housing we'd like to hear from you.

Please complete our short survey:

Important: This survey is not a substitute for registering with Homeseeker Plus, and it is separate from any local housing needs surveys being undertaken in individual parishes by our *Rural Housing Enablers*.

We're listening.

Tell us about your housing situation and help build a clearer picture of affordable housing need in Gloucestershire

Your response will help us demonstrate the scale of the affordable housing challenge and support future work to address housing needs across Gloucestershire.
